WAR ON RELIGION.

Prominent People Arrested for Holding Out-Door Meetings.

By Telegraph to THE SENTINEL.

BOSTON, May 21.—Rev. G. A. Gordon, pastor of the Clarendon street Baptist church, Mr. H. L. Hastings, the well known publisher of religious works, and about a dozen others were arrested yesterday for holding religious services on the Commons Sunday afternoon last. The police say they violated the city ordinance. The church people declare they will hold meetings as usual next Sunday and thereafter, and the police say that they will arrest any man who addresses a crowd on the Commons on Sunday. The evangelists announce that the most prominent clergy in town will be on hand next Sunday and that when one has begun to speak and has been arrested, another will take his place. Prominent citizens and ministers will be arrested if they attempt to carry out the plan.

Mackin and Gallagher.

By Telegraph to THE SENTINEL.

CHICAGO, Ill., May 21.—In case a writ of error is asked for in the case of Joseph C. Mackin and William S. Gallagher, before Judge Gresham and Justice Harlan and the jurists disagree, the effect of this is that the question will go to the United States supreme court, and in the meantime the convicted parties will be released on bail. Mackin and Gallagher were convicted of rifling a ballot box in the eighteenth ward at the recent national election. The point of difference was whether prosecution should be by information or indictment. Judge Harlan held criminal information was adequate. If the supreme court should sustain Judge Gresham, the prosecution will have to be renewed. In the meantime indictments against Mackin and Gallagher are pending in the state court.

The Will Was Broken.

By Telegraph to THE SENTINEL.

CHICAGO, May 21.—The verdict in a peculiar piece of litigation was announced this morning. The will of John Trinler, the suicide and attempted wife murderer, bequeathed to the children of George Trinler, a brother, living in New Albany, Ind., $15,000 in bonds, a mortgage for $1,000 and other property. The widow and other heirs-at-law were left nothing. Six days after Trinler's death his wife died from the injuries inflicted by him before he blew out his own brains. The will was set aside and a distribution of Trimler's property will be made among the heirs-at-law.

LONDON, May 21.—Stocks and home and foreign funds are depressed in consequence of the general feeling that Russia will permit no peaceful settlement of the present troubles, but that she is bent on having war. The delaying of the return of the guards from Egypt to England, and the news that comes from India in regard to continued war preparations there, caused a most uneasy feeling upon the various exchanges.

LONDON, May 20.—General Sir Charles Wilson, who succeeded General Sir Herbert Stewart in command of the advance corps of the Khartoum relief expedition after the latter was wounded at the Zeraba battle, sent in his official report. He says in the report that General Gordon might have been rescued alive if the troops had not unnecessarily halted at Gubat for three days. The report explains this three days delay in starting up the Nile to the rescue of General Gordon, by the necessity of securing the small force at Gubat against an attack then threatened from Berber on the north and from Omdurman on the south. The report further states that after the arrival of the troops at Gubat it required a great deal of time to select crews and prepare steamers for the advance to Khartoum.

MERCY FOR OUR BABIES

Cry Two Sisters Sentenced for Perjury.

By Telegraph to THE SENTINEL.

MADISON, Wis., May 21.—In the municipal court yesterday, Mrs. Rebecca Merrael and Mrs. Margaret M. Cooley, sisters, pleaded guilty to the charge of perjury and have been sentenced to two years in the state's prison. Each woman, when sentenced, had an infant in her arms. Kneeling at the feet of the judge they piteously pleaded for mercy for their babies' sakes. The scene was a heartrending one. Judge Brady, with tears in his eyes, said the law was inexorable, but he fixed the lowest penalty.

The women then prayed and sobbed and uttered terrible shrieks as they were finally removed by the officers. They said a man named Kirby had threatened their lives if they did not swear as they did and that they had for years lived in mortal terror of him. Both are respectable women of good local repute. Their babies accompany them to the penitentiary. An effort will be made to secure an executive pardon in their case.

Belonged to the "Chain Gang."

By Telegraph to THE SENTINEL.

CHICAGO, May 20.—Yesterday a story was telegraphed from New York, related by a youth named Edward Dantarosa, who told of being kidnapped at New Orleans, carried to Barrios where he and others were compelled to work on a railway as a chain gang. Richard Hagiot, sixteen years old, a brother of a respected resident of this city, relates a similar experience. He states that while in New Orleans he was approached by the purser of the steamer, Ella Knight, and induced to go on board with the understanding that the craft was in the fruit carrying trade, and was going to a port in Florida to load bananas. Under a like pretense 114 others were taken on boad at New Orleans. The vessel went to Puerotc, Barrios instead, however, where they were landed in small boats, tolled off in gangs and compelled to work at making railroad ties and cutting away brush. The men were refused food when they were too sick to work, and some were placed on the stocks and whipped. Finally some of the United States naval authorities compelled the removal of the sick to the States. Hagiot succeeded in reaching New Orleans by this means, still sick with the fever, from the effects of which he is still suffering.

Five Girls Killed by a Fall.

By Telegraph to THE SENTINEL.

CINCINNATI, May 21.—At a fire this afternoon in Sullivan's printing establishment, 19 Sixth street, eight girls and women jumped from the fifth story to the sidewalk, and five of them are dead.

SEVENTEEN DEAD.

3:30 p. m.—The fire on Sixth street, this afternoon, caused the death of seventeen persons. It was at first thought that only the five women who jumped from the fifth story window were killed, but when the fire was subdued so that the firemen could enter it was found that

TEN DEAD BODIES

lay in a heap on the fifth floor. There were six who jumped from the window and were killed and one man after saving the lives of two women by letting down a rope from the roof,

WAS HIMSELF KILLED

by the burning of the same rope before he reached the ground. This was Mr. Sullivan, brother of the proprietor of the printing works. The fire originated by the explosion of a gasoline stove on the second floor. The flames entered the elevator chute, which is next to the stairway and all chance of escape was thus cut off.

The killed are mostly employes of a dye works which occupied a portion of the building.

THE LIST OF THE VICTIMS

reads as follows:

Mary Lowry, Covington, killed.

John Sullivan, of Sullivan & Co., killed.

Emma Pinchback, badly injured.

Josie Hawks, severely burned.

William Bishop, Covington, badly injured.

Mamie Sheppard, fatally injured.

Lizzie Meyers, killed.

Dollie Day, aged twenty-two, jumped from the top story and was dashed to pieces.

Two Punten sisters, of Newport, both killed.

Fannie Jones, west end, killed.

Mary Beemtum, of Covington, killed in leaping from the fifth story. Charles Braam made an effort to catch her, but the force was too great and she dashed on the pavement at his feet a shapeless corpse.

The fifth story was completely burned out, but the walls still stand and the other floors are not much damaged.

It was not long until the fire was under control. The mass of telegraph and telephone wires prevented the firemen from putting up the ladders promptly for the relief of the inmates.

The Ubiquitous Porter.

The Mann and Pullman palace cars are struggling for supremacy on the Wabash road and it matters not to the public which succeeds, so long as the familiar porter remains the same. As of yore, he will black the travelers' shoes and eye him expectantly as he brushes him in the morning and "sizes him up" as good for a quarter or possibly fifty cents. As of yore he will be all attention to the lady traveling alone, who has fed him at the beginning of the journey, and utterly neglect the poor woman with children, who has not won his good opinion by a liberal gift. In spite of change the ubiquitous porter will remain. He will make up berths as deftly as ever and carry baggage with the same obsequious attention, always, however, with an eye to what he is going to make out of it.

JOURNAL OF PROCEEDINGS

Of the Common Council of the City of Fort Wayne.

ADJOURNED SESSION, MAY 20, 1885.

The Common Council of the city of Fort Wayne met in the council chamber Wednesday evening, May 20, A. D. 1885, pursuant to recess taken May 18, 1885. His Honor Mayor Muhler in the chair, and present the following members, viz.: Councilmen Bochrman, Ely, Kelker, Kensill, Kramer, Lincoln, Michael, Mohr, Prentiss, Racine, Scheid, Storm, Schwartz, Trossell, Vordermark, Wessel, A. Wolf, J. Wolfe—16.

REPORT OF SPECIAL COMMITTEE.

To the Mayor and Common Council of the city of Fort Wayne:

Gentlemen:—Your committee, to whom was referred the resolution of investigation concerning the action of Councilmen Wolf and Vordermark in counting the ballots at the recent election, would respectfully report that we met on Tuesday evening, May 19, 1885; that said Wolf and Vordermark were notified of the pendency of such investigation; that your committee heard the statement of said Wolf, who declined any guilt or knowledge of guilt in counting said ballots; that said Vordermark declined to testify; that there were also presented to said committee affidavits of members of the council, stating that they each voted as stated on said ballots, viz.:

For city civil engineer, Ed Lincoln, John Mohr, jr., G. W. Ely, A. Kelker, J. R. Prentiss, H. Michael, John Wessel, jr., A. Racine, John C. Kensill and Peter J. Scheid, ten in all, voted for Daniel Harding; C. Tressell and James Wolfe for J. H. Straughan; all on the first ballot. The official count does show nine votes for Harding and one for Straughan.

For police commissioner on the first ballot: A. Racine and John Mohr, jr., for J. R. Prentiss; John C. Kensill for Herman Michael; G. W. Ely, Joseph Storm, H. Michael, Frederick Schwartz, P. J. Lincoln, P. J. Scheid, Christian Kramer, John Wessel, jr., and A. Kelker, for Thomas Mohr, jr. The official count shows as follows: A. Wolf, 10; John Mohr, jr., 5; J. R. Prentiss, 2; George W. Ely, 1.

In the official count no vote appears for H. Michael on the first ballot.

Herman Michaels sums, on affidavit, to have voted for Joseph Storm for police commissioner on the first ballot. Said vote does not appear in the official record.

Herman Michael claims, on oath, to have voted for P. J. Scheid for police commissioner on the fourth ballot. Said vote does not appear in the official record.

Your committee feel satisfied that said ballots were misread and miscounted. We therefore recommend that charges be formally made and sent said Wolf and Vordermark, specifying misconduct in said matter, and that the city attorney, assisted by such other counsel as the common Council may deem advisable, be directed to prepare and present such charges to this city, in order that the guilt or innocence of said Wolf and Vordermark may be tried and determined by the council; and if the parties be found guilty that they be removed from office in the manner prescribed by law.

Your committee feel that they did not have the time, means and facilities nor opportunity to fully hear and determine the matter, so as to pass upon the question of guilt or innocence of the parties. Besides, no action of the committee could be effectual in removing the accused parties from office, or otherwise punishing them, if found guilty. Such action must be taken by the council upon charges duly made, and after notice and trial as by law provided. We herewith submit the proper resolution to carry out the recommendation.

COMMUNICATION FROM VORDERMARK.

To the Honorable, the Mayor, and Common Council of the City of Fort Wayne.

The undersigned, a member of said council, most respectfully asks said council to refuse to accept the report of the special committee, heretofore appointed by this honorable body to investigate and report upon the rumored and alleged irregularities in the counting of the votes cast in the selection of police commissioners by the said council, on the 12th of May. And he begs leave to present the following reasons why said report should not be accepted:

First. He says that two of the members of said committee, John Mohr and Herman Michaels, were candidates at said election for the office of police commissioner; that by the counting of the votes said Mohr was not elected on the first ballot, but was elected on the third ballot. He therefore says that said Mohr was and is personally interested in the subject matter submitted to the said committee for investigation; that such interest disqualified him from fairly, honestly and impartially investigating and considering the matter referred to said committee. That it is not only unusual but absolutely unheard of and in violation of every principle of justice to constitute a party in interest, a judge of the facts in which he is interested.

Second. That said committee met at the Hamilton National bank on the evening of the 19th of May, 1885, for the purpose of entering upon an inquiry and investigation of the matter referred to them. That your petitioner having, as a member of this honorable body, been appointed to assist in counting said votes, and whose conduct touching said counting was being investigated, appeared before said committee and respectfully requested to be heard, which request was as follows:

"Messrs. John Mohr and others of the Committee:

"GENTLEMEN,—I would respectfully request the privilege of attending the meeting of your committee in person and by counsel, and that you send for the persons who are said to have made affidavits herein, that I may have an opportunity of examining them orally in my presence and with the aid of counsel. I insist that it is unjust to me, and contrary to the first principles of the administration of justice, that a serious charge, involving my integrity, should be passed upon in the absence of myself and counsel and without other than ex parte testimony. I should also object to a trial by a committee, two members of which, Messrs. Mohr and Michaels, were candidates for the place of police commissioner, the count of which is said to be erroneous, and both of which have been active in formulating and presenting charges against me. I am innocent; and so certain am I of establishing that fact, that if you will afford me the same trial that is afforded in courts and an opportunity to be heard, I believe I can establish to the satisfaction of my enemies even that the charges made against me are untrue.

"J. W. VORDERMARK."

But said committee refused to receive said communication and refused to permit your petitioner to be represented by counsel before them. They further refused to send for the persons reported to have made affidavits concerning their votes for police commissioners.

Your petitioner says that he is not opposed to any investigation of his official conduct; that he is ready to meet every accusation that may be made against him, but that he does not wish to be prejudiced by the exparte reports of secret and unfriendly committees before whom he is not allowed to make his defense. That said reports, though exparte and untrue, are nevertheless calculated to injure his standing and create unjust suspicions of his honesty and unrightness of his character. That no legislative body ever appointed a committee to investigate the conduct of one of its members without giving such member a right to appear before such committee by counsel, cross-examine the witnesses produced against him and produce witnesses in his defense. He cannot believe, therefore, that he will be made by this honorable body the first victim of the violation of this parliamentary rule so clearly just and heretofore universally enforced. If, however, the council shall see fit not to grant the request as above made, then your petitioner asks that a new and disinterested committee may be appointed and said matters be re-referred to said committee with instructions to allow your petitioner to examine all the evidence taken and to hear such evidence he may produce before them in his defense, or should the council be unwilling to appoint a new committee, then that the matter be referred back to this committee with instructions to permit him to cross examine all witnesses produced against him, to have access to and inspect all evidence introduced against him and to produce witnesses and testimony in his own behalf. And this he asks not only as a matter of right, but of common fairness and justice. JOHN W. VORDERMARK.

Received and filed.

RESOLUTION.

Resolved, That the committee heretofore appointed to examine into the matter of the counting of the vote for the election of city officers, held by the common council on Tuesday, May 12, 1885, be and they are hereby requested to the complaint at next regular meeting of this council for the removal of John W. Vordermark and Abraham Wolf as members of this common council.

GEORGE W. ELY.

RESIGNATION OF MEMBERS OF BOARD OF POLICE COMMISSIONERS.

I hereby resign my membership of the board of police commissioners.

JOHN MOHR, JR.

I herewith hand you my resignation as police commissioner and ask to be relieved from said committee. W. BOCHRMAN.

I herewith tender my resignation as a member of the committee elected by the council, known as the board of police commissioners.

A. WOLF.

Which resignations were on motion accepted.

On motion the council then adjourned.

Hood's Sarsaparilla is prepared by C. E. Hood, apothecaries, Lowell, Mass., who have a thorough knowledge of pharmacy and many years practical experience in the business. It is prepared with the greatest skill and care under the direction of the men who originated it. Hence Hood's Sarsaparilla may be depended upon as a thoroughly pure, honest and reliable medicine.

Edmund Yates is at Brighton and is said to be quite recovered from his confinement in Holloway prison.

How many people pass their days in misery, victims of that bane of American life, dyspepsia, and how many shorten the span by failing to take advantage of that infallible cure for all diseases of a dyspeptic character, Mishler's Herb Bitters? Mrs. J. W. Douglas, of Terre Haute, was afflicted for years, and had tried every remedy prescribed by the men of medicine. She lingered on the toilsome road of a disorganized constitution until she tried the bitters, and, after using three bottles, she found herself no longer an invalid, but a strong and healthy woman.

The Earl of Selkirk, who died very rich lately, left a year's salary to all employes on his estate.

Whenever you make a purchase always seek for the best article, even though it should cost a little more than an inferior one. You will always get satisfaction from a good article, while you meet with nothing but disappointment in buying a poor one. Especially is this true in regard to a good family medicine; and Pond's Extract is a preparation which does so much good that many attempts have been made to imitate it. Be careful then to get the genuine.

Minnie Palmer says the English climate agrees with her best.

The use of Iodoform or mercurials in the treatment of catarrh whether in the form of suppositories or ointments—should be avoided, as they are both injurious and dangerous. Iodoform is easily detected by its offensive odor. The only reliable catarrh remedy on the market to-day is Ely's Cream Balm, being free from all poisonous drugs. It has cured thousands of chronic and acute cases, where all other remedies have failed. A particle is applied into each nostril; no pain; agreeable to use. Price fifty cents; of druggists.

ACHES! PAINS!

"I ache all over!" What a common expression; and how much it means to many a poor sufferer! These aches have a cause, and more frequently than is generally suspected, the cause is the Liver or Kidneys. No disease is more painful or serious than these, and no remedy is so prompt and effective as

MISHLER'S HERB BITTERS.

No remedy has yet been discovered that is so effective in all KIDNEY AND LIVER COMPLAINTS, MALARIA, DYSPEPSIA, etc., and yet it is simple and harmless. Science and medical skill have combined with wonderful success those herbs which nature has provided for the cure of disease. It strengthens and invigorates the whole system.

Hon. Thaddeus Stevens, the distinguished Congressman, once wrote to a fellow member who was suffering from indigestion and kidney disease, "Try Mishler's Herb Bitters. I believe it will cure you. I have used it for both indigestion and affection of the kidneys, and it is the most wonderful combination of medicinal herbs I ever saw."

PINKEYE.

A Remarkable Cure of a Horse.

Col. James L. Fleming, a prominent grocery merchant, a member of the firm of Fleming & Loftin, Augusta, Ga., makes the following statement of the treatment of a valuable horse with Swift's Specific:

In the fall of 1881 I had a valuable colt taken with a severe case of pinkeye, which resulted in the most fearful case of blood poisoning I have ever seen. After eight or nine months of doctoring with every remedy I could hear of I despaired of a cure. At this time the horse was unable to move, on account of swollen limbs. His right hind leg was as large as a man's body, and had on it over forty running sores. He had also a large number of sores on his body and other parts. He was a most valuable looking object, and I was advised to end his suffering with a shot gun. He was a valuable animal and I did not want to lose him. After racking my brain in search of another remedy more efficacious, I thought of Swift's Specific. I knew it was invaluable to the human family as a blood purifier, and why should it not be for the animal as well? I did not hesitate, but sent last July to Atlanta, for a supply.

I began the treatment with 4oz. of S. S. S., and 4oz. of water three times a day. This I continued for a week, then I increased the dose to 6oz., of each and continued for a week. Then I increased it to 8oz., and run it a week, when I went back to 6oz., again. The result was that at the end of the first week the horse had a fair appetite, which he had not had since his sickness. At the end of the second week even greater improvement was apparent for many of the sores were healing nicely, and the horse manifested a desire to move about. At the end of the third week he began to show a gain in flesh, and had a full appetite. The swelling has about disappeared. I used in all about fifteen bottles of Swift's Specific, and when I quit it made the horse had only four small sores left on him, and they healed up immediately.

In August last all symptoms of the disease passed away, and up to date no signs of the return of the trouble have made their appearance, and the horse has done a mule's work on my farm.

I regard it as one of the most remarkable cures I have ever known. True this great medicine has proven a boon to the animal as well as the human race.

The Indiana Funeral Directors' association is holding its fifth annual convention in Wright's hall, Indianapolis. Fort Wayne is not represented, as business is too brisk here.

The taxes on the Rome City water power and their real estate have accumulated from year to year until now they have reached the fabulous sum of over $15,000. The citizens demand their payment.

The Rome City correspondent of the Kendallville *News* says: "The lecture by Prof. W. F. Yocum, D. D., of Fort Wayne, was good and appreciated by all as shown by the good attention given by the congregation."

During the parade of the Doris circus at Columbia City Judge Long was forced to adjourn court for fully a half hour. The entire machinery of the court was forced to lie idle while jury, officials and attorneys watched the exercises.

Editorial reference is made by a New Orleans paper to the wonderful restoration to health of Mr. T. Posey, druggist, 225 Canal street, that city, who some time ago was prostrated by an excruciating attack of sciatica. After much suffering his wife applied St. Jacobs Oil, which cured him promptly.

The Albion *Democrat* says: "A. J. Markey and family moved to Fort Wayne the past week, where they will make their future home. Mr. Markey has been a resident and business man of our town for a number of years and himself and family were highly esteemed by all who knew them, and their loss to our town is deeply. May prosperity attend them in their new home."

The click, click of the drill and check rower is heard on every hand throughout the country, and corn planting is about closing. The outlook for a good crop of the great staple is now much more encouraging than a couple of weeks ago. Then the season was so backward and the spring work so far behind that it was feared there would not be the usual area planted, and taken together with the wheat failure, the farmers' prospects were indeed gloomy and extremely discouraging.

Mind This.

A plantation philosopher says, "poverty of body is bad, but poverty of mind is worse." Yes, good friend, but please to remember that if the blood in the body is impoverished, the mind is effected by it and made poor also. When you enrich your blood and tone up your system with Brown's Iron Bitters, you strengthen your mind and quicken your intellect. Mind this. Dr. J. B. Fort Wayne Paint and Color Works,

No. 12 West Columbia Street Fort Wayne, Indiana.

To Painters

And others wanting First-class Paints: Do you know that you have in Fort Wayne a Manufacturer of Mixed Paint and Grinder of Colors, where you can buy your Paints from first hand instead of paying the middle man his profits, which are from 25 to 33½ per cent. O. L. STARKEY, the Painter and proprietor of the Fort Wayne Paint and Color Works, came to Fort Wayne in April, 1856, and is identified as one of the old citizens who has helped build up Fort Wayne, and his knowledge of Paints and the composition of pigments to form different shades and tints is well-known to the public, and his long practical experience in painting gives him the knowledge of Paints that a mere dealer cannot have for he does not know anything about Paints, as he buys them sealed up and he cannot tell you what it takes to make this or that shade. All he knows is what the label on the can says. Neither can he tell you shades that will or will not fade. By buying your Paints of O. L. STARKEY you can get all the information you want. I am making Liquid Paints in all shades and colors; also the same shades and colors in paste form, the same thickness as white lead and requires thinning down the same as white lead. In making the different shades my formulas are all registered giving the amount of each color it takes to form certain shades all thoroughly mixed together in the powder mills, then wet down and run through a mixing machine, and from there to the mills where it is all ground together making a pigment that cannot be made by hand. Call or send and get some of my sample cards of colors and tints; also see elevations of gothic houses colored up with four and five shades, which will give you a good idea how to paint and ornament the outside of your houses.

I say again, do not buy of the middle man if you want to save money. I will guarantee my prices and quality of goods with any manufacturer in the United States.

The Common Council of the city of Fort Wayne do ordain as follows:

Section 1. There shall be provided a public pound, at some convenient and suitable point in the city of Fort Wayne, which shall be of sufficient size for the purpose intended. It shall be surrounded by a strong wall or fence; said wall or fence to be constructed of brick or other suitable material. Said wall or fence shall be not less than seven feet in height, with only one opening or entrance, to be secured by a substantial door that cannot be opened except by the person authorized for that purpose. There shall be affixed to some conspicuous part of said door or sign with the words "Public Pound" painted thereon. It shall be the duty of the Common Council of the city of Fort Wayne to provide said pound and to cause to be erected therein proper buildings for the storage of hay and feed, stalls for horses and cattle, and pens for swine, goats and geese; and also to provide suitable watering troughs for the purpose of watering such animals as may be impounded in said pound.

Sec. 2. It shall be the duty of the Common Council to elect, in the manner provided in the charter of said city, on the nomination of the mayor, some suitable person as pound master of the city of Fort Wayne, who shall devote his entire time to the duties of his office and to no other calling while he holds to as the Common Council may, from time to time, by ordinance or resolution, direct. Said pound master shall be vested with the same powers in the apprehension and arrest of persons violating this ordinance, or any ordinance or by-law of the common council of the city of Fort Wayne, as is vested in the police constables of said city, and shall have the same power and authority to execute, serve and return all processes for the enforcement of all by-laws and ordinances of said city, and shall be deemed to be a police constable of said city, but shall not be liable to be called upon to do police duty. He shall be paid monthly, out of the general fund of said city, such annual salary as the Common Council may determine, but shall receive no fees or perquisites. He shall give to the city a sufficient bond, conditioned for the faithful performance of the office as pound master and police constable, and for the payment into the treasury of all moneys received in his official capacity. He may be removed from his office for official misconduct, in the manner provided for in the charter of said city for the removal of officers appointed by the Common Council.

Sec. 3. No horse, cattle, sheep, goat, swine or geese shall be permitted to run at large at any time, within the corporate limits of the city of Fort Wayne.

Sec. 4. If any horse, cattle, sheep, goat, swine or geese shall be found running at large within the corporate limits of the city of Fort Wayne, contrary to the provisions of this ordinance, it shall be the duty of the pound master to take the same into custody, and to impound the same in the public pound. They shall not be released by the person in charge, or the person entitled to the possession thereof, shall pay to the pound master the sum of one dollar, together with fifty cents per day for every day such animal is kept by the pound master. And in case the person entitled to the possession of such animal shall not, within five days from the time of such taking into custody, pay the aforesaid charges and take it away, it shall be the duty of the pound master to sell the same at public sale or auction, by giving ten days public notice of such sale by posting the same up in at least three of the most public places in the city of Fort Wayne. And it shall also be the duty of such pound master to give at least five days notice of such sale to the owner of such animal, when known; but if any such animal shall be redeemed by paying the pound master said fees and expenses for sustenance, as herein provided, at any time before the same are actually sold, the same shall be released by the pound master.

Sec. 5. The said pound master shall keep a book, to be provided by the city, in which he shall enter, as minutely as practicable, a full description of every animal taken from the streets, alleys or public places of the city, the locality from which the animal was taken; the name of the owner, if known, or whose supposed, and the date and hours he impounded, keeping in said book an accurate account and record of all his doings and proceedings in the premises. At the end of each and every month he shall make a full report to the Common Council of said city of his doings and of all moneys by him collected under the provisions of this ordinance, which report shall be verified by oath. He shall pay all moneys paid to or collected by him under the provisions of this ordinance, to the treasurer of said city, for the use of said city, and the treasurer's receipt for the same shall accompany each monthly report.

Sec. 6. The city marshal shall keep in his office a book, to be called the "complaint book," and to be provided by the city, in which he shall enter all complaints made to him in regard to animals running at large contrary to the provisions of this ordinance, giving the name and residence of the complainant. Any citizen may enter for himself a complaint in said book. It shall be the duty of the chief of police, or any member of the police force, or the marshal of said city, to give said pound master, either by personal notice or by entering the same in the complaint book, notice of all animals seen by them running at large in the streets or alleys of the city in violation of this ordinance. It shall be the duty of the pound master to daily inspect the book of complaints, and to give immediate attention to all complaints therein entered, or that may be made to himself in person.

Sec. 7. Any person or persons who shall hinder or delay the pound master or his assistants in taking into custody any animal found running at large contrary to the provisions of this ordinance, on conviction thereof, shall be punished by a fine not exceeding one hundred dollars and costs of prosecution, or by imprisonment in the city prison or the county jail of the county of Allen, in the discretion of the court or magistrate before whom the conviction may be had, for a period not exceeding thirty days, and in case such magistrate shall only impose a fine and costs, the offender may be committed to be imprisoned in the county jail or city prison of Allen county, until the payment of such fine and costs, for a term not exceeding thirty days.

Sec. 8. The moneys received by the pound master in his official capacity for the consumption fees and pound charges on any animal or animals impounded by him, or from the sale of any animal or animals impounded, shall be by him forthwith deposited in the city treasury for the use of the city, and the person neglect or refuse to do so, on account of thereof, shall be punished by a fine not exceeding one hundred dollars and costs of prosecution, or by imprisonment in the city prison or common jail of the county of Allen, in the discretion of the court or magistrate before whom the conviction may be had, for a period not exceeding thirty days, and in case such magistrate shall only impose a fine and costs, the offender may be committed to be imprisoned in the city prison or county jail of Allen county, until payment of such fine and costs, for a term not exceeding thirty days.

Sec. 9. The Common Council may, in its discretion, return to the owner of any animal or animals sold under the provisions of this ordinance, the money received from the sale thereof, after deducting therefrom all moneys, fees, costs and expenses of the sale thereof and sale of such animal.

Sec. 10. It shall be lawful for any person to drive to the pound, and to deliver to the possession of the pound master any animal found by such person running at large within the city of Fort Wayne, contrary to the provisions of this ordinance.

Sec. 11. All complaints against said pound master for the neglect of the discharge of his duties, or for any misconduct on his part or the discharge of his office as aforesaid, shall be made, and addressed to the common council for action.

Sec. 12. Any person or persons who shall break open, or aid or assist in breaking open the pound, or break or open the public pound of said city, or any enclosure in which said pound is established, except by the order of the common council or pound master, or shall rescue any animal impounded therein, or any person in the city prison or common jail of the county of Allen, at the discretion of the court or magistrate before whom the conviction may be had, for a period not exceeding thirty days, and in case such court or magistrate shall only impose a fine and costs, the offender may be committed to be imprisoned in the city prison or county jail of Allen county, until payment of such fine and costs, for a term not exceeding thirty days.

Sec. 13. All ordinances heretofore passed, relating to the running at large of horses, cattle, sheep, swine, goats and geese, are hereby repealed.

This ordinance shall be in force on and from the 1st day of October, 1885, and after its legal publication.

Done at the council chamber of said city this 25th day of April 1885.
